

MARY SANROPE JOINS ECHO STAFF

Beginning January 10, Mary Sanrope, 1510 Droster Road, will be the Youth Club Editor for the ECHO. Each previous issue of the ECHO has carried some mention of youth club activities, but until now no effort has been made to provide a comprehensive report -- the leaders, the members, the many community services and achievements of the clubs -- to the Elvehjem area. In addition to coordinating the club reporting, Mary will summarize and report both membership and adult leadership information, facilitating (we hope), growth in the youth clubs functioning in the neighborhood.

The ECHO and the Elvehjem neighborhood are fortunate to have obtained Mary's assistance. Mary has served as editor of a newsletter while a student at the Topeka Girls Business School, and brings to the ECHO a first-hand knowledge of the community. (Gene and Mary Sanrope have resided at 1510 Droster for over 13 years.)

NOMINATING COMMITTEE NAMED

The committee to select nominees for election to the ENA Executive Board was announced by Pres. Harold Smith at the January 7 board meeting. Named to the committee were Sue Guild, 1101 Bay Ridge Rd., Carl Burhop, 1509 Ellen Ave., Sandy Zimmerman, 1606 Homberg La., and Dick Dunn, 5017 Academy Dr.

The nominees elected will fill three 3-year positions and one 2-year position. The slate of nominees, along with nominations from the floor, will be presented to the membership at the annual general meeting to be called on or before April 1, 1970.

LOOKING FORWARD TO THE DINNER-DANCE

Co-chairmen of this year's annual ENA Dinner-Dance are Doug Zink, 1513 Woodvale Dr., and John Freer, 1514 Wendy La. The annual social is tentatively scheduled for Saturday, March 14, with March 7 being held open as an alternative, pending firm arrangements.

Fifty couples dined and danced at last year's affair, and the number is expected to nearly double this year, so keep those two dates open.

BOY SCOUT TROOP 67

Boy Scout Troop 67, which is sponsored by Queen of Apostles High School, and serves mostly those scouts who live in the Elvehjem area, again this year presented Christmas gifts to children in Madison hospitals.

Each year at the Troop's annual Christmas party, each of the 40 scouts purchases a gift for a child between three and ten years of age. Last year these gifts were presented to the Children at Central Colony, and this year were given to children in Pediatrics at St. Mary's Hospital.

The gifts were presented on December 23 by Dan Joe, Senior Patrol Leader, Tim Bagot, Troop Instructor, and by Tom Leskinen, John Lewis, and Gordy Bischel, Patrol Leaders. Also at the presentation were the two newest members of Troop 67, Tim Dyer and Jim Arndt.

During the last few years Troop 67 has also supplied the Color Guard for the various Elvehjem Neighborhood Association parades, and is the Boy Scout Troop joined by a large number of Cub Scouts from Elvehjem School.

The Scoutmaster of Troop 67 is John Courchane, 1614 Ellen Ave. Anyone seeking information about this troop or their many special service projects can call him at 222-2000.

ANSWER TO DECEMBER PUZZLE

Remove one object from sack one, two from sack two, three from sack three, etc., and ten from sack ten. Place all 55 objects on the scale. The total weight of the 55 objects is 55 pounds, minus from one to ten ounces, depending on which sack contained the 15 ounce objects. Thus the number of ounces less than 55 pounds identifies the sack of lightweight objects.

ELVEHJEM P.T.A. MEETING

According to an announcement in a recent issue of the ELVEHJEM NEWSLETTER, the next P.T.A. meeting will be February 2. It will feature student demonstrations of the Art and the Physical Education programs, with comments on the programs from Mrs. Albert, the art teacher, and from Mrs. Dhlinger and Mr. Schwab, the physical education instructors.

NEW PUZZLE OF THE MONTH

Twelve balls are numbered from one to twelve, and are otherwise identical, except for one of the twelve, which has a different weight than the other eleven. In exactly three weighings using a balance-type scale (as opposed to a direct-read type), determine which of the twelve balls is of a different weight, and also whether that weight is more or less than that of the other eleven.

EUCRE CLUB REPORT

In the December issue of the ECHO, it was announced that the ENA is sponsoring a Couples Eucres Club, and that interested couples should contact Kay Clayton at 222-6667. As of this writing, ten couples have joined the club. Four of the couples decided to meet Friday nights and another four selected Saturday nights. The remaining two couples are hoping that at least two couples will call to complete the third foursome. If sic more couples join, then four groups of four couples will be formed. So if Eucres is your game, give Kay a call.

LETTER TO THE EDITOR

"I enjoyed your recent edition of the ECHO (November 7). Might I suggest the ENA consider a FIRESIDE CHAT program. Couples could get together weekly in small groups to discuss current problems. The host could serve hot cocoa or cider while 'sex education, air pollution, Viet Nam, education, taxes' would be discussed. One topic per evening."

(Name withheld to allow author opportunity to volunteer, or save him embarrassment of refusing, chairmanship. - ed.)
