## THE AIRPORT ISSUE

The first in a series of five public hearings on the proposed North-South runway addition at Truax is scheduled for February 11 at Memorial High School. Watch the daily newspapers for more details. This issue is vital to area residents, not only as City of Madison taxpayers, but as East side home owners seeking to preserve their quality of life.

## GIRL SCOUT REPORT

-contributed by Betty Guhl

With scouting well under way for this year, those of us responsible for the organizational end are looking ahead. Naturally, we need help! In the very near future we will be attempting to arrange for enough adults to cover the girls going Day Camping, one adult for every six girls. Last year twelve girls who had singed up for a camping experience were unable to go, due to lack of adult participation. It is not necessary to be a leader. We are also looking for women who are arts and crafts specialists; people well acquainted with the out-of-doors, and first-aiders. Women with no scouting experience can serve as assistant unit leaders. Think about it --- and give us a call. It's a shame to deny a girl a camping experience.

Our big problem next year is meeting space for the Junior Troops, each having from 20 to 30 girls. Few of us have room, and school space is limited after hours. If any of you in the Elvehjem neighborhood have room and are willing to have a troop meet at your home, contact me at 221-1317. Unless space is found, we may have to discontinue troops next year.

Things to watch for! The Girl Scout cookie sales and a Spring Event...in which we hope to show the neighborhood the many advantages of Scouting.

## P.T.A. MEETING RESCHEDULED

The February Elvehjem P.T.A meeting originally scheduled for February 2, has been moved to February 23. The meeting will feature student demonstrations of the Art and the Physical Education Programs.

Also scheduled is a discussion of the proposed Master Education Plan revealed by the Board of Education on February 3. Representatives of the

Board will be present to present the plan and to answer questions. The proposed plan affects this area to some extent, especially a proposal to build a Middle School at the present Kennedy School site. The new Middle School would be attended by students from the Elvehjem area.

## PRIZES

## RECEPTION FOR REVEREND PATON

Congregation and friends of Chuck Paton are invited to a reception in his honor. The open-house reception will be from 2:00 to 4:00 p.m. Sunday, February 15, at Messiah Lutheran Church.

## DON ERTEL RESIGNS FROM ENA BOARD

Don Ertel, a member of the first ENA Executive and one of the first three members to be elected to a three-year term, submitted his letter of resignation to the Board, effective January 17, 1970. The Board accepted the letter of resignation at its January 28 meeting, and adopted a resolution commending Don for his service to the association.

According to Don, his resignation was submitted at this time to allow the Nominating Committee time to find additional nominees to be presented at the April 1 General Meeting.

Don's increasing commitment to community service projects, for which he is a conscientious worker and articulate spokesman, leaves him, regrettably, little time to share ENA leadership.

NO PUZZLE THIS MONTH

Due to the complexity of the solution and the lack of space this month, the answer to last month's puzzle will not be printed until next month. For those of you who have worked on last month's puzzle in vain, here is a hint: The first weighing should have 4 balls on each side of the scale, say balls 1-4 on one side and 5-8 on the other. Good luck.

L.V.M. MERRYMAKERS 4-H CLUB

The 25 members of the L.V.M. Merry-makers 4-H Club meet the third Thursday of each month at Hustad School, 7:00 to 8:00 p.m. The club, consisting of boys and girls ages 9 to 18, is led by Mr. & Mrs. Marvin Meissen, 1709 Woodvale. For information, call Marv or Pat at 222-5892.

ELVEHJEM FUN NIGHT

The Elvehjem P.T.A. is sponsoring a FUN NIGHT at Elvehjem School on Friday, March 13, from 5:30 p.m. until 8:00 p.m.

The family FUN NIGHT Festivities will include game booths for all ages, movies, and a Cake Walk. There will also be a Sweet Tooth Booth and lots of refreshments.

Anyone wishing to help should contact either Ginny Christensen (222-4950), Jeannine Bultman (222-4574), or Mary Jo Draxler (222-8566).

CONGRATULATIONS TO...

The Richard Butler Family at 5206 Academy, who had a very special Christmas this year. They have a new baby daughter, Theresa Marie, who arrived just in time to spend Christmas at home with her family.

...And to Mr. & Mrs Richard O'Kroley of 5409 Starker, who evened the score at their house with the arrival of their new son. They now have three sons so the girls no longer automatically win every vote. He should be a good natured baby because he took his good natured time getting here.

ENA ANNUAL GENERAL MEETING

The Annual Meeting of the membership of the Elvehjem Neighborhood Association is set for April 1. The first order of business will be elections to fill five vacancies on the Executive Board. Three members will be elected to 3-year terms of office, one to a 2-year term, and another to a 1-year term.

All members of the ENA, and prospective members, are urged to attend the meeting. Further details will appear in the March issue of the ECHO.

JOHNSTON'S PERSEVERANCE PAYS OFF

Doug Johnston, 31, 1510 Woodvale Drive, last month achieved his often frustrated ambition of earning a Bachelor of Science degree in Rural Sociology from the University of Wisconsin. Doug is Vice-President of the ENA, and an invaluable staff member of the CHO, which extends to him a sincere "Well done!" and congratulations!

Congratulations also to Anne Johnston, who, at the same time Doug received his degree, received a Ph.D. (put him through) degree.

From the editor...

For the interest of its readers, and possibly as an aid to the ENA Board (perhaps even our alderman), the ECHO would like to determine how people in our area line up on selected issues. Thus another poll is born.

Participants in the poll would receive questionnaires monthly, which would be mailed back to the editor after appropriate responses are marked. The list of participants would be kept confidential, and no one, including the editor, would be able to associate a particular response with a particular participant. Results would be published in the ECHO.

If your family would like to participate, send your name, address, and phone number to the editor. Families with teenage members are especially invited to participate.

Also, or instead, send in questions you'd like to have included in the poll; questions are not restricted to local issues. Send to:
