Elvehjem Neighborhood Association Founded March 1968 Vol. 50, Issue 3 June/July 2018 Our Association's 50th Year

#### Dear Neighbors,

I would like to formally introduce myself and my family. My name is Charles, and my lovely wife is Aubrey. We welcomed our first child, Ezra, to the world on Feb. 20th of this year. He seems to grow and change almost daily as we learn the ropes as new parents. We moved into this neighborhood back in 2012; buying a foreclosure, flipping it, and calling it our own. We fell in love with this neighborhood for its quiet nature, great location, even better school, but more importantly, the people. Dedicated neighbors and volunteers keep this neighborhood going and play a large role in what makes it special. I hope to keep this core to the community as we grow at a rapid pace and welcome new neighbors every day.

As a reminder, we just finished up the membership drive for this year. If you have not joined yet, please send in your membership form to our P.O. Box or online through PayPal. This drive is our many source of income for this year, funding the many events we hold in the neighborhood for 2018. As I take on this President's role, I hope to bring the neighborhood closer together through continued events and our big 50th anniversary celebration this fall. I also hope to fill the big shoes left by Jamie and continue making this neighborhood one of the leaders on the East Side. Please feel free to introduce yourself at future events or reach out to me directly before that to begin my tenure as President.

Sincerely,

Charles Donaldson

ENA President, 651-353-8523, charles@elvehjemneighborhood.org

#### April 14 ENA Annual Meeting and Pizza Social

The annual meeting was another success. While the weather outside was cold and rainy, it was warm and full of community inside at Our Saviours Lutheran Church. Roughly 50 neighbors attending the meeting covering the last year in ENA. Doughnuts, coffee, and pizza was served as refreshments. A big thank you to Hyvee, Java Cat, and also Dominos pizza for their donations. Officer Dzick again gave the safety updated as this is her last year as Neighborhood Resource officer. She will be missed! The minutes covered the 2017 and 2018 calendar of events as well as meeting the new board.

#### April 22 Earth Day Clean Up

Thank you to all of the neighbors who came out to help with the garlic mustard pull and Elvehjem Sanctuary trash clean up efforts on Earth Day. After a very late winter storm the prior week, it was finally a beautiful day to be outside. A special thank you to neighbor Joel Stone, who came up with a backup plan to clear brush behind the tennis courts after the weather prevented there being any garlic mustard to pull this year. If you weren't able to make it, we encourage you to pick up trash or pull garlic mustard throughout the year in the neighborhood, especially since we were unable to pull any in April.
